

# Inviting all Oxfordshire Church and Ministry Leaders

The Billy Graham Evangelistic Association want to encourage every Church and ministry leader in Oxfordshire.

Will you join us, just as before Mission England, to pray for Oxfordshire and prepare for this autumn's new evangelistic film? Planning an outreach to millions that we pray will again touch every part of this nation?

We want to:

- Encourage you with the stories of salvation and transformation from the first two *My Hope* evangelistic films, *The Cross* and *Second Chance* – with news of the new film with Franklin Graham, releasing especially for the UK
- Equip you with the latest free resources – to help you inspire your congregations to pray for the lost, share the Gospel, answer people's questions and disciple new believers
- Refresh you with a cup of coffee, worship, prayer and fellowship together.

Tuesday, 22 November 2016
